

Cheri Glover

**Speaker | WomenHeart Champion |
Heart Disease Survivor | Author**

A Voice of Hope, Healing, and Heart Health

Cheri Glover is a speaker, author, WomenHeart Champion, heart disease survivor, and workforce development professional with 19 years of experience across human services, training, business development, and disability advocacy.

After undergoing open-heart surgery at 27, Cheri became committed to helping women better understand their heart health, advocate for themselves, and take purposeful action. Her work brings together heart health, self-advocacy, resilience, faith, confidence, and meaningful support.
